Mr. Pierce,  
Please note that I have called and now writing to complain about the above docket.  
We were not informed of the increase.  
We are on a fixed income.  
Both individual and SCG cost will be a burden.  
No public meeting was held on this either.  
Why was the plant built when all building had greatly decreased.  
This should not be passed on to us at this very high rate.  
Your company is at fault, not the consumer.  
Please address this, please,  
Kay & John Naso
